BSHA apartments are affordable housing, independent senior living. All residents must be 55 or over to qualify for rental. There are 130 apartment units which are all handicap adaptable and wheelchair accesible.

Every apartment is equipped with energy star appliances, including a full-size refridgerator and plenty of kitchen storage. There is ample closet space, bright rooms with large windows and neutral blinds on all of the windows. Every unit has its own large capacity hot water heater and independent climate controls. All apartments are pre-wired for cable and phone service.

Residents coordinate the initiation and payment of their own utilities, excluding water and sewer which are managed by the association. PSE&G is the provider of Gas & Electric service, Comcast provides cable TV service and Verizon provides phone service.

Each room is equipped with its own smoke and carbon monoxide detectors as well as a sprinkler system for fire protection.

One pet, under 25lb's is welcome in each unit with a minimal annual pet fee.

All apartments are clean and fresh at the time of move-in.
